

The Iris EFIS

A full feature EFIS with built-in GPS and back-up battery. Available in both 57 mm and 80 mm sizes.

The EFIS can display:

- a speed tape showing IAS, TAS and ground speed
- altitude tape also showing climb/descent rate
- heading indicator
- bearing to a selected destination
- QNH setting

All of these display options are user customizable to show as much or as little as you wish on the screen.

Prices:

-
- 57 mm: 990 €
- 80 mm: 1090 €
